MERILEE THOMPSON, TO THE PUEBLO COUNTY BOARD OF EQUALIZATION
FOR REVIEW OF THE DETERMINATION OF THE PUEBLO COUNTY ASSESSOR**

WHEREAS, the Board of County Commissioners of Pueblo County, Colorado, sitting as the Pueblo County Board of Equalization for 2017, received a properly and timely filed Petition of Appeal from Merilee Thompson, for review of the determination of the Pueblo County Assessor setting the 2017 valuation for assessment of residential property located in Pueblo County with Schedule No. 04-184-51-033, in the records of the Pueblo County Assessor; and

WHEREAS, the Petitioner and the Pueblo County Assessor were given notice and an opportunity to appear before an Independent Referee appointed by the Board of Equalization at a hearing on the matter held on July 31, 2017, at 3:00 p.m., at the Pueblo County Courthouse; and

WHEREAS, Ms. Thompson did not appear. Kyle Vistuba, Certified Appraiser, Pueblo County Assessor's Office, appeared before Lee Medina, Independent Referee, and presented testimony, evidence, and arguments in the matter; and

WHEREAS, the Board, having considered the evidence, testimony, and arguments presented by the parties and taking judicial notice of the documents contained in the file of the Clerk to the Board, having considered the recommendation of the Independent Referee, a copy of which is attached hereto and is incorporated herein, and now being fully advised in the premises, **FINDS AS FOLLOWS:**

1. The property which is the subject of this Petition is classified as residential property and described as Schedule No. 04-184-51-033, located at 106 Scotland Rd., Apt. D, Pueblo, Colorado, as listed in the records of the Pueblo County Assessor.
2. The Petitioner provided a letter and copies of three (3) comparable property sales in the similar location. Based upon the comparable sales, the Petitioner asserts that the value of the subject property is \$82,000.00.
3. Mr. Vistuba provided an appraisal report which contained information concerning the subject property and comparable property sales in the area of the subject property. Using the comparables, Mr. Vistuba came to a value of the subject property of \$87,000.00.
4. The Assessor asserts that the Petitioner's property, described above, was classified and valued properly in accordance with the requirements of the Colorado Constitution, Title 39 of the Colorado Revised Statutes, and the Property Tax Administrator's Manuals for the valuation of this type of property. According to the Assessor, the current assessed value of this subject property should remain \$82,000.00.

RESOLUTION NO. 17-E-16 (CONTINUED)

5. Based upon the evidence presented at the hearing, and the recommendation of the Independent Referee appointed by the Board of Equalization, this Board finds that the valuation of the property is proper per Colorado statutes and there is no objective basis upon which to reduce the Petitioner's assessment.
