Re: SDS 1041 Application Public Hearing

Dear Commissioners:

During the public hearing on December 11, 2008, comments were made by Mr. Don Schley to the effect that Colorado Springs Utilities and its representatives have been acting dishonestly and unethically. Specifically, Mr. Schley stated that Mr. John Fredell had submitted a perjured affidavit in Case No. 04-CW-132, Water Division No. 2.

Mr. Schley's allegations were made with a willful and wanton disregard for their truthfulness. In fact, his statements are entirely without basis in either fact or law, which Mr. Schley could have easily discovered by reviewing the record in Case No. 04-CW-132. I would like the record of this application to reflect the fact that there is no basis in fact or law for Mr. Schley's blatantly untrue allegations.

Very truly yours,

David W. Robbins
