Subject: Response to Request for Bureau of Reclamation Approval of SDS 1041 Permit  
Condition 8 Project – Southern Delivery System

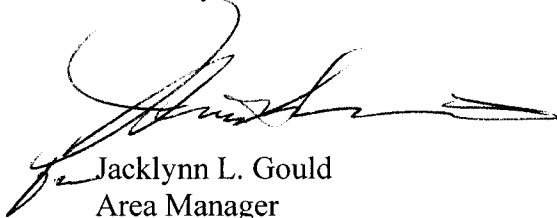

Dear Ms. Armstrong:

Reclamation has reviewed your letter dated December 11, 2014, requesting comments and approval for the use of County funds in the amount of \$53,000 to excavate 6,000 cubic yards of sediment material from Fountain Creek and to further evaluate the effectiveness of the City of Pueblo's sediment collector project.

While Reclamation is supportive of this effort, it is not appropriate nor is it necessary for Reclamation to approve the use of County funds associated with Pueblo County's SDS 1041 permit.

If you have any questions, please contact Terence Stroh at 970-.962-4369 or via e-mail: [tstroh@usbr.gov](mailto:tstroh@usbr.gov)

Sincerely,

Jacklynn L. Gould  
Area Manager
